SUBJECT : Proposed Management Objectives for FY 1977

1. During the course of a recent management conference, the suggestion was made for the distribution to other Offices of the objectives proposed for FY 1977. This would allow each Office to review its own objectives, action plans, and milestones with the knowledge and within the context of other objectives in the Directorate. As a result of this suggestion, there are attached the DCI and DDA level objectives as initially proposed to the DD/A by each of the Offices. You will, of course, receive the list of FY 1977 objectives as finally approved.

2. The MBO timetable anticipates DD/A approval of the FY 1977 objectives by 24 September 1976. Any comments and/or suggestions that you think would be helpful in the final review and decision should be forwarded no later than 17 September.
